EDUCATION

Bachelor's Degree in Computer Science and Cybersecurity, Major GPA 3.65 University of North Carolina – Charlotte (2016)
- Coursework including the fundamentals of Java, SQL, Python, JavaScript, Bash, JSP, JDBC, CSS, HTML5, Apache Tomcat, Wireshark, Debian, RHEL & Windows Servers, VirtualBox, VMWare, penetration testing & project management

Bachelor's Degree in History and American Studies, GPA 3.88 The State University of New York – University at Buffalo (2006)

CERTIFICATIONS

CSX Cybersecurity Fundamentals, demonstrates foundational knowledge through ISACA, prerequisite to CISM (Anticipated Mar 2017)
Splunk Power User, demonstrates proficiency with Splunk software for searching, monitoring, and analyzing big data (Feb 2017)
PILOT Master Leader, highest credential awarded by the largest leadership skills program at UNCC (Nov 2016)
ACE AccessData Certified Examiner, demonstrates proficiency with Forensic Toolkit (FTK) technology (Jan 2016)

EXPERIENCE

Cybersecurity Operations Intern, TIAA (Summer 2016)
Performed dynamic scanning of internal & external facing web applications focusing on OWASP Top 10 vulnerabilities
- Conducted application discovery meetings with development teams
- Doubled the daily application scan rate, bringing 60 applications into Complete or In Progress stage
- Used tools daily like Burp Suite, IBM AppScan, RSA Archer, FireBug

Course Project Leader: IT Infrastructure II: Design & Practices, UNC - Charlotte (2015)
Implemented internal networked services for a fictional enterprise that integrated cross-platform services, featuring:
- Windows Server VM providing NTP, DNS, NFS, and Active Directory services
- Debian server VM providing DNS and OpenSSH
- Windows 7 workstation to access shared files via NFS

Course Project Leader: IT Infrastructure I: Design & Practices, UNC - Charlotte (2014)
Demonstrated the importance of data encryption with HTTPS/TLS (SSL) protocols, featuring:
- Apache web server on a Raspberry Pi and Wireshark packet sniffing analysis
- Extensive project documentation with focus on being reproducible by novices

PROFESSIONAL DEVELOPMENT

2017
Member: PMI Buffalo Chapter
Member: ISACA Western New York Chapter

2016
President/Founding Member: ISACA Student Group (UNCC)
Attendee: CarolinaCon, cybersecurity conference

2015
Team Alternate: National Collegiate Cyber Defense Competition

2014 - 2016
CTF volunteer & Attendee: UNCC Cyber Security Symposium
Competitor: National Cyber League, Bronze to Gold bracket
Attendee: SouthEast LinuxFest & BSides Charlotte
